BRIEF ABSTRACT OF LETTER.

Forwards copies of correspondence from the President of the Dist. Board and the D. M & S Officer, Kolar Dist:, re the opening of a dispensary at Chelur in Bagepalli Taluk and states that he concurs with them

NOTES AND ORDERS.

It will be seen from the correspondence received with the above that in view of the very unhealthy climate of the Country on the Chelur side of there being no dispensary located within a distance of about 25 miles either in the Bagepalli

or Chintamani directn, the Distt Board of Kolar resolved that a regular dispensary at Chelur shd be opened in preference to a Vaidyasala at Bagan palley and Sanctn to the same is now recommended by the Senior Surgeon. In their order no. 10997-9 / L.B 228-07-6 dt 28.4.08 Govt have in concurrence with the Kolar Distt Board directed the President to take early steps in consultation with the Senior Surgeon for the opening of a dispensary at Chelur. Thus the President has to provide a sum of about Rs 483/- from the D.F. budget of the Kolar Distt to meet the dispensary charges while Govt has perhaps to Sanctn an additional Hospl asst. This does not involve any extra expenditure from Provincial funds in as much as there will be a saving in the pay of one of the Passed Medical Pupils who will be promoted to the grade of 3d class Hospl asst.

3.	From the Senior Surgeon no. G. 14 dy 8.7.08. States that the opening of a dispensary at Chelur is an addition to the Strength & as such one of the passed medical pupils may be promoted as 3rd class Hos Asst and an Hos Asst already in Service may be posted to Chelur if a dispensary there is ordered to be opened. Also states that the Presdt D. B. has been addressed about the required funds for the purpose.
6	A further Commn from the Senior Surgeon as to the receipt of his reference to the Presidents of the District Board may be awaited.
V	7. In G.O no of 4298-9 dy 2.3.04 the no: of Hospital Asstts of all grades was fixed at 164 and this number is understood to have been since increased consequent on the opening of new dispensaries in the Weavers' Lines, Nagpore, Shanthipur in the Shimoga dist & c. With reference to sl no. 3, enquires whether the total strength of Hospl Asstts in all grades in the State is still kept up at 164 — the no. fixed in G.O. no & 4298-9 & 2.3.1904 or whether the same has been since increased and if so, by how many and under what authority and also whether one of the Hospl. Asstts from the sanctioned cadre cannot be posted to the charge of the dispensary at Chelur without increasing the no. of Hospl. Assistants.

11. Letter no & 265 & 19.10.08 from the Same Officer.

5 States with refce to sl no 4 that the total Strength of Hospl asstts sanctd in G.O & 2.3.04 has since been increased by two and that it is not possible to spare an Hospl Asst from the sanctd Cadre for the charge of

12. Thus if a new dispensary is to be opened at Chelur, the number of Hospl asstts will have to be increased by one. This however involves no additional cost as one of the Passed medical Pupils who is already getting Rs 25/- per mensem will draw the same pay as 3d class Hospl Asst.

Need for caution in undertaking more expenditure of a permanent character. If Govt in the Administrative Dept - is of opinion that the Establt of a Dispensary at Chalan is quite necessary, the proposal may be sanctioned. It is however necessary that some workable scheme for meeting expenditure the total annual expenditure should not be allowed to exceed the total annual income & the Estimates of the future years should be so framed as to avoid the deficit which has occurred in the Current Years Budget. It is presumed that the opening of the proposed Dispensary will not add to the already heavy expenditure on medical relief from the general revenues as it may be found feasible to depute for the charge of the Dispensary one of the Hospital Assistants already sanctioned for the Dept —

The District Board of the Kolar District recommends the opening of a Local Fund Dispensary at Chelur in the Bagepalli taluk and the proposal is supported by the Senior Surgeon.

2. The initial and recurring expenditure involved is put down by the Senior Surgeon as follows:-

(1) Initial expenditure (to be met from District Funds) - Rs.470-15-0.

(2) Recurring expenditure -

(a) Pay of a Hospital Assistant (from State Funds).

(b) Charge allowance to Hospital Assistant, Establishment, Dieting charges, Country medicines and Contingencies - Total Rs.41 per mensem (From District Funds).

N

3. The Senior Surgeons says that it is not possible to spare a Hospital Assistant from the sanctioned cadre for the charge of the proposed dispensary "as the present strength is not sufficient to meet the demands of the Department". From the statement submitted by the Senior Surgeon, however, it appears that in the Victoria Hospital 7 Hospital Assistants in excess of the sanctioned number are employed. The

Senior Surgeon may therefore be requested to spare a Hospital Assistant from the sanctioned strength for the charge of the proposed dispensary. There need not therefore be any expenditure from State Funds on this account. If the Senior Surgeon wants to increase the sanctioned strength of Hospital Assistants in the State, he has only to formulate and support his proposals, which will then be duly considered by Government.

4. As regards the charges to be met from the District Funds, it is seen from the office notes that in the Budget estimates of the Kolar District Board for the current year a sum of Rs.192 has been provided on account of furniture (against the sum of Rs. 470-15-0 proposed by the Senior Surgeon for all initial charges) and Rs.480 for establishment and other recurring charges at Rs.40 per mensem (against Rs.41 proposed by the Senior Surgeon). The dispensary may therefore be opened with the provision made in the District Fund Budget.

P8 to 9 of office note

5. The proposal is agreed to by both the Councillors and may be sanctioned.

With reference to the above, I have the honour to state, that, judging from the very unhealthy climate of the hilly and damp country on the Chelur side- Bagepalli taluk, and great prevalence, therefore, of sickness there; and from the frequent complaints of the people in those remote parts for want of medical aid, their being no dispensary within a distance of about 25 miles either in the Bagepalli or Chintamoni direction, I cannot too strongly recommend that a well organized dispensary, under the --- charge of a qualified Hospital Assistant, like one of the existing Local Fund Dispensaries, be kindly established at Chelur, in preference to the indigenous dispensary the --- people arepraying for, since the latter can stand in no comparision to the former in point of their utility to the Public and the State.

--eooOooo--

No.1256 dated 6-3-08 from the President of the District Board, Kolar District, to the Senior Surgeon with the Government of Mysore.

Inforwarding herewith a copy of the resolution of the District Board anent the opening of an Hospital at Chelur in the Bagepalli Taluk, I have the honour to state as follows:-

The inhabitants of the Chintamoni having present -ed a petition to this office on the subject of opening a Vaidyasala at a central place Iragampalli, with Madanapalli Lakshminaranappa as a pandit thereof, a report was called for from the late Sub Divisional Officer, Kolar Group of Taluks, who was of opinion that instead of a Vaidyasala at Irgampalli, the Hospital Assistant of the Chintamoni may be deputed to visit the villages in question once a week on Shandy days; but the Chintamoni taluk Board were of -- opinion

opinion that a Vaidyasala at the said place may be established.

The subject was, therefore, discussed at the -- District Board meeting held on the 7th December 1967, and it was resolved that instead of a Vaidyasala at Iragampalli a regular Dispensary at Chelur in the Bagepalli Taluk, which by its central position and close proximity to the villages of the Chintamoni Taluk as well as in Bagepalli Taluk, is more necessary and useful and that arrangements be made for the establishment of the said dispensary at Chelur.

From the enclosed letter No.1926 dated 7-2-68 from the District Medical and Sanitary Officer Kolar, it will be seen that he is also of opinion that the dispensary may be established and a qualified Hospital Assistant, placed in charge of it, as in other Local Fund Dispensaries

Under these circumstances, I request that sanction of Government be kindly obtained for the establishment of a dispensary at Chelur.
